

SUPERVISOR SAFETY – 1 Day Course

If you Supervisor or Manage other employees, then this course is for you. This course is designed to provide you with information on your duties and responsibilities as a supervisor as it relates to Occupational Health and Safety.

As a Leader in your organization you are accountable for the Health and Safety of the employees under your control. Are you aware that you could be charged and face a fine and/or go to jail should an accident occur at your workplace? This course will educate you on your responsibilities as a leader, providing you with information on how to protect the Health and Safety of your employees while protecting yourself and the company from legal prosecution.

Who Should Attend:

- Supervisors
- Team Leads
- Lead Hands
- Foreman
- Managers
- Business Owners

Course Outline:

- Introduction to the Occupational Health and Safety Act
- Internal Responsibility System (IRS)
- What is Due Diligence and how it applies
- Your Responsibilities as a Leader
- Hazard Assessments
- Offences and Penalties
- The Direct and Indirect costs of incidents
- Incident Reporting
- How to conduct an Incident Investigation

Upon completion of course each attendee will receive a certificate of completion
